About

The Production

ISLAND by Starcatchers and Frozen Charlotte is a celebration of the unique relationship between babies and their grown-ups. ISLAND is a new show that we are creating especially for babies from birth to 12 months. Working with musician/composer Rachel Newton there will be a

live score and a multi-sensory set created by Designer Katy Wilson, where babies are free to explore and parents can take a moment to reflect on the joys and challenges of new parenthood.

The Producers

Starcatchers and Frozen Charlotte present ISLAND in association with Imagineate.

Frozen Charlotte is passionate about making inclusive theatre for young audiences that everyone wants to see.

[Starcatchers](#) is Scotland's Arts and Early Years organisation. fulfil their right to access a rich arts and cultural life in Scotland regardless of where they live or their background.
